

Koenigs SR Series Australian-made enclosures

Koenigs SR Series enclosures have a 30-degree sloped roof to prevent the build-up of water and solids. The enclosures come with a range of standard features and can be customised to suit individual project needs.

- Manufactured in Koenigs’ Wollongong workshop – proudly Australian-made
- Quality 1.5mm 316 stainless steel with No.4 surface finish
- Sturdy 3mm Zincanneal powder-coated internal mounting pan
- Wall mounting points integrated into flanges – no additional mounting brackets required
- Single locking points for enclosures up to 600mm
- Multiple locking points for enclosures 600mm or higher
- Padlockable options available
- A range of gland plate materials and sizes
- Custom fitouts

IP66

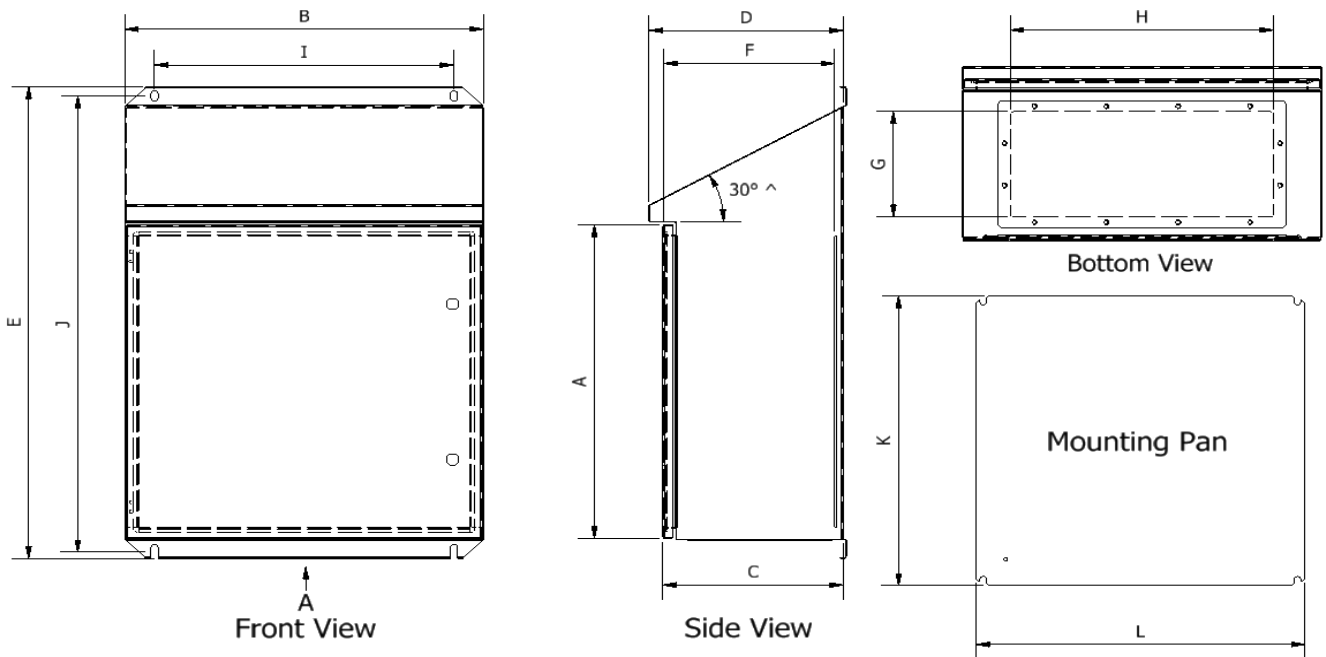

For quality, reliable Australian-made enclosures call Koenigs +61 2 4272 5344
